

Hello everyone,

I have a couple of updates for you today. As of yesterday, I was named the new manager of the NSF/DOE team at RSP. However, there will be a slow transition due to the amount of audits that are occurring. Sara Streich will continue handling the day-to-day operations of the team for now. I will likely be doing work as the Audit Coordinator through March of next year. If you receive any audit requests of your awards or programs, you can still send those to me.

Also, the Legislative Audit Bureau is currently working on their FY 2022 Uniform Guidance (aka Single) Audit. You may be receiving requests from me regarding that audit.

Lastly, we have an audits page at <https://rsp.wisc.edu/awardmgt/audits/index.cfm> which describes more about audits and what the Audit Coordinator position does.

Thank you,

Kyle
