

Principal Investigator Attestation – Human Subjects and Animal Research Compliance

RAMP Award ID:

I certify that I am aware of and understand the compliance requirements related to human subjects research and vertebrate animal research that apply to this award.

I further certify that no human subjects research activities, including participant recruitment or the collection of identifiable data or biospecimens, and no vertebrate animal research activities will begin under this project until all required protocols have been reviewed and formally approved or determined exempt by the appropriate Institutional Review Board (IRB) and/or Institutional Animal Care and Use Committee (IACUC), as applicable.

Provide date(s) when activities will begin. Enter N/A if not applicable.

Anticipated commencement of human subjects research activities:
