Subject: Federal government shutdown impact on grant funding

Good morning,

With the federal government shutdown, we are letting you know there is no impact to the **988 Improvement, Grant Data Collection SOR4, and PDO** grants at this time. We are in the process of developing contracts for this grant and will share more details when these materials are ready.

We appreciate your partnership and will continue to monitor activities at the federal level to let you know as soon as possible if anything changes.

Kind regards,

Joanette Robertson
Director, Bureau of Prevention Treatment and Recovery
Division of Care and Treatment Services
Wisconsin Department of Health Services
