Subject: Federal government shutdown impact on grant funding

Dear Bob,

With the federal government shutdown, we are letting you know there is no impact to UW's contracts at this time. Please continue the activities under UW's current contracts.

This communication is on behalf of the Division of Public Health (DPH). Please disseminate this message to those within your organization as you see appropriate.

We appreciate UW's partnership and will continue to monitor activities at the federal level to let you know as soon as possible if anything changes.

Regards,
Casey Nelson
